Dear Sir / Madam

Further to the application to .... District Council for a Regulated Stand General Safety Certificate under the provisions of the Safety of Sports Grounds (NI) Order 2006 the Council has deemed that the applicant does not meet the criteria to be a 'qualified person' and has been notified accordingly. I enclose a copy of a Notice advising him of this and have included an appeal form.

Should the applicant choose to appeal to the Magistrate's Court, the Court will determine if the applicant does meet the criteria of being a 'qualified person'.

Should the Court determine that the applicant is a qualified person the Council will commence the processes of issuing a Safety Certificate for the Stand.

Should the Court determine that the applicant is not a qualified person, the application will have been deemed to have been withdrawn and it will be an offence to admit spectators to the stand after the date of that determination unless a further application has been submitted to the Council.

Should the applicant choose not to appeal to the Magistrate's Court, it will be an offence to admit spectators to the Stand, after the period of appeal, unless a further application has been submitted for a Regulated Stand General Safety Certificate.

I enclose an application form accordingly. Should you require clarification regarding these matters please do not hesitate to contact (name of lead officer and contact details).

Yours faithfully
