

## Athlete Award Programme 2022-23

The Athlete Award Programme opens on an annual basis to sports that have Commonwealth, Olympic or Paralympic events. Nominations by the Governing Bodies are made on behalf of athletes that have a requirement for additional financial support. This may be due to a change in circumstances, a transition period within their sporting career or financial hardship.

There are three levels of Athlete Awards available:

1. £7,500
2. £4,000
3. £2,000

£375,675.00 of funding was allocated to 24 sports, to support 128 athletes.

The following sports received Athlete Award investment during the 2023/23 period:
